DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on March 2, 2005 has been entered.

Allowable Subject Matter

2. **Claims 1-21** are allowed.

3. The following is an examiner's statement of reasons for allowance:

Claim 1 is allowed because the closest prior art Tsou et al. (US2002/0184089A1) and Heath et al. (US Patent Number 6,636,872), either singularly or in combination, fail to anticipate or render obvious an apparatus for providing Instant Messaging (IM) services in a wireless communication system wherein the difference IM contact data is transmitted to the wireless device and the second IM contact data (previous IM contact data) associated with the IM client is updated with the first IM contact data (current IM contact data) associated with the IM client for subsequent (future) comparisons by the IM access portal (i.e. a comparator of the IM access portal). It should be noted that the first IM contact data is originally stored at the IM data storage device, not at the wireless device, and is transmitted to the IM access portal via the IM server for comparison with the second IM contact data and for update of the second IM contact data for subsequent comparison, as claimed. These limitations in combination with all other limitations in the claim as defined by applicant.

Art Unit: 2687

Claim 12 is the corresponding method claim of apparatus *claim 1*; therefore, allowed for the same reasons set forth above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
